Electrical food slicer **secura**⁸

Item No. 553.060 / GTIN 40 04822 55360 3 / PU 2 / PU-GTIN 40 04822 00194 4

Details

- full metal construction, inclined
- silver metallic
- serrated circular blade, 17 cm Ø
- circular blade cover
- slice thickness adjustable up to approx. 23 mm
- safety switch for intermittent and continuous operation
- vario electronic rpm adjustment
- easy-going carriage with metal plating broad-surfaced and detachable
- carriage way approx. 24 cm
- FSC®-certified bamboo board collects the food slices and, at the same time, serves as a cutting board
- cable compartment
- warranty: 2 years*, product made in Germany

Technical features

- DC motor
- 230 V, 130 Watt, duty cycle 10 minutes
- protection class 1, CE
- dimensions: width 29.0 cm height 24.5 cm depth 37.0 cm
- weight : 5 kg incl. bamboo board

Electrical food slicer **secura**⁸

The appliance is equipped with a 17 cm serrated circular blade with a full cover, which is powered quietly by a 130 watt DC motor. The duty cycle is duplicated up to 10 minutes compared to an AC motor.

The continuous and intermittent switch ensures a high level of safety and the easy-gliding carriage that allows slicing without much effort ensures great convenience. 'Perfect slicing' is supported by the vario electronic rpm adjustment.

Another highlight is the FSC®-certified bamboo board, which collects the food slices and, at the same time, serves as a cutting board. It doesn't discolor or absorb unpleasant odors.

A smooth ham- and sausage circular blade is available for every ritter food slicer.
